

BFPS Suggested MS & HS Supply List

LEO (Logger Enrichment Organization) has graciously donated most of the supplies needed for our students this year to help offset the costs of back-to-school for families. LEO fundraises throughout the year to provide great enrichment opportunities for students and fun family activities and events. ***Please support them if you can by attending meetings or volunteering at an event!***

THE FOLLOWING ITEMS WILL BE DONATED BY LEO AND PROVIDED TO STUDENTS IN THEIR CLASSROOMS:

- Notebooks
- Folders
- Binders
- Mechanical pencils
- Highlighters
- Lined and graph paper
- Index cards

The following items were not purchased by LEO and are the only supplies we encourage families to purchase for the 2025-2026 School Year:

Middle School (6th – 8th):

Language Arts – 6th & 7th Grade:

- Pens

Language Arts – 8th Grade:

- Pens
- Optional: Markers

Math:

- No additional supplies needed

Social Studies:

- No additional supplies needed

Science:

- No additional supplies needed

High School (9th – 12th):

9th Grade Math (Geometry):

- Bullseye compass (flat one)

10th & 11th Grade Math (Algebra):

- Geometry Kit (protractor, compass, 6-inch ruler, triangles)
- Calculator, TI-30 or equivalent

Senior Math:

- Scientific Calculator

High School English:

- Optional: Markers

High School Science:

- No additional supplies needed

High School Social Studies:

- No additional supplies needed

***NOTE REGARDING CALCULATORS –**

Special graphing calculators are **NOT** needed for 6th-12th grade math, but if desired we suggest a TI 84 Plus or TI 84 Plus CE (this one is rechargeable). Mr. Beyer has graphing calculators available for classroom use. Students may also use Desmos/computers/apps for homework.
