

BFPS Suggested Elementary Supply List

LEO (Logger Enrichment Organization) has graciously donated most of the supplies needed for our students this year to help offset the costs of back-to-school for families. LEO fundraises throughout the year to provide great enrichment opportunities for students and fun family activities and events. ***Please support them if you can by attending meetings or helping out at an event!***

The following items were not purchased by LEO and are the only supplies we encourage families to purchase for the 2025-2026 School Year:
