Hoop House Attendant

Employment Type: Seasonal/Part-Time (NMEA Schedule B)
Location: Boyne Falls Public School Garden and Hoop House
Reports To: School Administration / Food Service Director

Position Overview

BFPS is seeking a dependable, hands-on Hoop House Attendant to oversee the care and maintenance of our hoop house, garden, and related growing areas throughout the school year and summer months.

This position combines gardening, seasonal maintenance, planning, and working directly with students. The Attendant will help students learn about growing food while ensuring that plants, garden beds, equipment, and growing spaces are properly maintained.

The position follows the school growing calendar, with responsibilities varying throughout the year. Hours will increase during planting and summer growing seasons and decrease during the winter months.

The ideal candidate will:

- Have experience gardening, farming, landscaping, or maintaining growing spaces.
- Be comfortable working outdoors in a variety of weather conditions.
- Enjoy working with children and helping students learn through hands-on activities.
- Be dependable and able to work independently.
- Have good organizational and planning skills.
- Be comfortable performing physical tasks such as bending, lifting, digging, weeding, planting, and moving garden materials.
- Be attentive to plant health, irrigation, weather conditions, and seasonal changes.
- Be able to safely use basic garden tools and equipment.
- Communicate effectively with teachers and school staff.
- Be willing to adjust the work schedule based on weather, plant needs, school activities, and growing conditions.

The position requires the ability to:

- Work outdoors for extended periods.
- Bend, kneel, squat, and stand for extended periods.
- Lift and carry garden supplies and equipment.
- Perform repetitive gardening tasks such as weeding and planting.
- Safely operate basic garden tools and equipment.
- Work in warm summer conditions and cold winter conditions when monitoring the greenhouse.

Why Join Us?

This position provides an opportunity to make a direct impact on students by helping maintain a hands-on school garden and hoop house. The attendant will play an important role in connecting students with nature, agriculture, healthy food, and real-world learning experiences.

Please direct questions to Amanda Loper via email at aloper@boynefalls.org. Persons who are interested in this position should submit a resume, and a brief description of their gardening experience and availability to Amanda Loper, Principal. Applications will be accepted until **November 6, 2026, or until the position is filled.**

Notice of Nondiscrimination: Boyne Falls Public School District is an equal opportunity employer. It does not discriminate on the basis of race, color, national origin, creed, age, religion, sex, height, weight, marital status, or disabling condition in employment. No person shall be denied employment solely because of any disability which is unrelated to the individual's ability to do the essential functions and duties of the job or without accommodation. Under state law, a person with a disability condition may not allege a failure to accommodate a disabling condition unless the employer knew or reasonably should have known that an accommodation was needed.
