

BFPS Suggested Elementary Supply List

LEO (Logger Enrichment Organization) has graciously donated most of the supplies needed for our students this year to help offset the costs of back-to-school for families. LEO fundraises throughout the year to provide great enrichment opportunities for students and fun family activities and events. Please support them if you can by attending meetings or helping out at an event!

The following items were not purchased by LEO and are the only supplies we encourage families to purchase for the 2024-2025 School Year:

Kindergarten
